

CLIN AST/ASO/FULL PROF
General Internal Medicine
Position #00717

Minimum Requirements:

Candidates should have a MD/DO and be BE/BC in General Internal Medicine.

Preferred Qualifications:

Include info if applicable

Description

The Division of General Internal Medicine of the Department of Medicine at the University Of Florida College Of Medicine – Jacksonville is seeking a full time Internal Medicine candidate to join our growing academic ambulatory practice. The Department of Medicine has an ACGME-accredited residency program in internal medicine with 47 residents. Our division strives for excellence in providing high-quality patient care, advancing medicine through clinical research, and providing world-class education to current and future physicians. Responsibilities will include patient care primarily in an ambulatory based setting, resident and student teaching, and research. Appointment will be at the tenure/non-tenure accruing level of Assistant/Associate/Full Professor, based on qualifications. Salary is negotiable; excellent benefits.

With more than 6,200 faculty and staff, UF Health in Jacksonville is the largest UF campus outside of Gainesville. UF Health physicians offer primary care and specialty services in practices throughout Northeast Florida and Southeast Georgia, tallying more than 650,000 outpatient visits and more than 40,000 inpatient admissions annually.

UF Health in Jacksonville, Florida, is comprised of:

- UF Health Jacksonville, an academic health center near Downtown Jacksonville and home to the area's only adult and pediatric Level I trauma program
- UF Health North, a 92-bed hospital and outpatient medical campus in North Jacksonville
- UF Health Science Center Jacksonville, which encompasses three UF colleges in Jacksonville: Medicine, Nursing and Pharmacy
- UF Jacksonville Physicians, Inc., a network of primary and specialty care centers offering exceptional patient care throughout Northeast Florida and Southeast Georgia

Located in the Northeastern part of the state on the Atlantic ocean, Jacksonville's weather is sunny and pleasant. We enjoy an average of 320 days of sunshine each year, yet have the coolest summers in the state. Known as the River city Jacksonville is a major port city with

numerous waterways, two naval bases, several nature preserves, marshes, lakes wetlands and miles of beaches. Flowing through Jacksonville is the 310 mile St. Johns River, which plays a major role in our work and play.
